ARENA MORTIS FORMAT RULES

Arena Mortis is an exciting and unique format for Warhammer Underworlds. Choose your fighter, construct your twin power decks and get ready for epic, multiplayer games as you battle your rivals to claim glory in the Arena Mortis!

ARENA MORTIS

Arena Mortis games use the Warhammer Underworlds: Direchasm – Arena Mortis rules in addition to the core Warhammer Underworlds rules.

FIGHTERS

All previously released Warhammer Underworlds fighters and their warbands' faction cards are allowed.

DECK CONSTRUCTION

All previously released universal cards are allowed.

However, where cards have been reprinted in multiple seasons, they are assumed to have the wording of the most recent version printed.

There are no restricted cards in Arena Mortis format.

No 'Forsaken' cards are allowed (see right).

BOARDS

All previously released game boards are allowed.

FORSAKEN CARDS

Cards are added to the Forsaken list below to improve the experience of playing Warhammer Underworlds competitively. When changes are made to this list, any changes from the previous version will be highlighted in magenta. This list was last updated in May 2022.

The following cards are Forsaken. They cannot be included in any deck used in an Arena Mortis format event.

Infinite Riches (Nightvault #424)
Prescient Blow (Beastgrave #418)
Quick Thinker (Shadespire #347)
Time Trap (Shadespire #368)
