Although we strive to ensure that our rules are perfect, sometimes mistakes do creep in, or the intent of a rule isn’t as clear as it might be. These documents collect amendments to the rules and present our responses to players’ frequently asked questions. As they’re updated regularly, each has a version number; when changes are made, the version number will be updated, and any changes from the previous version will be highlighted in magenta. Where a version number has a letter, e.g. 1.1a, this means it has had a local update, only in that language, to clarify a translation issue or other minor correction.
