

BATTLETOME: DISCIPLES OF TZEENTCH

DESIGNERS' COMMENTARY, APRIL 2024

The following commentary is intended to complement *Battletome: Disciples of Tzeentch*. It is presented as a series of questions and answers; the questions are based on ones that have been asked by players, and the answers are provided by the rules writing team and explain how the rules are intended to be used. The commentaries help provide a default setting for your games, but players should always feel free to discuss the rules before a game, and change things as they see fit if they both want to do so (changes like this are usually referred to as 'house rules').

Our commentaries are updated regularly; when changes are made, any changes from the previous version will be highlighted in **magenta**. Where the date has a note, e.g. 'Revision 2', this means it has had a local update, only in that language, to clarify a translation issue or other minor correction.

Q: *Can the 'Spell-thief' ability be used to steal an endless spell that is bonded to a WIZARD?*

A: Yes. If you do so, that endless spell would no longer be bonded to any unit (friendly or enemy).

Q: *If Kairos Fateweaver or a Lord of Change use their 'Spell-thief' ability to steal an endless spell that was summoned by a ROTBRINGER SORCERER, does that endless spell retain the MAGGOTKIN OF NURGLE keyword?*

A: No.

Q: *Can a unit of Horrors of Tzeentch start a battle with a mix of Pink, Blue and Brimstone Horrors?*

A: Yes.

Q: *If a HERO is transformed into a Chaos Spawn, is that HERO considered to be slain?*

A: No.

Q: *If a HERO is transformed into a Chaos Spawn, is that Chaos Spawn considered to be the same unit as that HERO for the purpose of battle tactics and grand strategies?*

A: Yes.

Q: *If a HERO is transformed into a Chaos Spawn, does that Chaos Spawn gain that HERO's enhancements?*

A: No.

Q: *If either player's general is transformed into a Chaos Spawn, is that Chaos Spawn considered to be a general for the purpose of generating command points for that player?*

A: Yes.

Q: *If all of the models in a unit have been slain or transformed into Chaos Spawn, does that unit count as being destroyed?*

A: Yes.

Q: *Is a unit of Blue Horrors that replaces a unit of Pink Horrors using the 'Split and Split Again' ability considered to be the same unit? Likewise, is a unit of Brimstone Horrors that replaces a unit of Blue Horrors using the 'Split and Split Again' ability considered to be the same unit?*

A: Yes and yes.

Q: *How is control of an endless spell determined for the 'Realm of Magic' grand strategy?*

A: When a player picks a predatory endless spell to move, they are considered to be the commanding player of that predatory endless spell until the start of the next hero phase (core rules, 19.5.2). All other endless spells are under the command of the player who summoned them.

Q: *Can I use the Hosts of Chaos allegiance abilities in Wrath of the Everchosen to pick a subfaction for my Disciples of Tzeentch army?*

A: No. The allegiance abilities found in the most recent publication of *Battletome: Disciples of Tzeentch* replace the Hosts of Chaos allegiance abilities in *Wrath of the Everchosen*.

Q: *Do I gain a Fate Point when a WIZARD automatically casts a spell?*

A: Yes.

Q: *Can the Timeslip Pendant be used to allow a unit to fight three times in one combat phase?*

A: No (see core rules, 1.6.5).

Q: *Can I use Fate Points to summon Kairos Fateweaver or an Exalted Greater Daemon of Tzeentch?*

A: No.

Q: *Several abilities allow TZEENTCH WIZARDS to cast spells they did not know at the start of the battle 'if it is possible for them to do so'. Can you explain what this means?*

A: It is only possible for a WIZARD to use an ability to cast a spell that they do not know at the start of the battle if:

- That spell does not require the caster to have a keyword in order to know it or attempt to cast it, or
- That spell requires the caster to have a keyword in order to know it or attempt to cast it and the caster has that keyword on their warscroll.

A WIZARD cannot cast a spell that they did not know at the start of the battle if that spell requires that WIZARD to use a value on a damage table that is not on that WIZARD's warscroll.

A WIZARD can only cast a spell that summons an endless spell that they did not know at the start of the battle if you have paid the points to include that endless spell on your army roster.

Q: *If I spend 2 Destiny Dice to change the casting roll for a Lord of Change, does the 'Mastery of Magic' ability change the result of the Destiny Dice that I used for the casting roll?*

A: No.

Q: *Does changing a dice roll with the 'Mastery of Magic' ability count as a modifier?*

A: No.

Q: The Legions of Chaos rule states '2 in every 4 units in the army can be a coalition unit from the Slaves to Darkness faction that has the **MARK OF CHAOS** keyword'. Can I include units from the Slaves to Darkness faction that already have the relevant Chaos God keyword (**KHORNE**, **NURGLE**, **SLAANESH** or **TZEENTCH**) for my army but do not have the **MARK OF CHAOS** keyword as coalition units?

A: No.

Q: If models in multiple units are slain by the Burning Sigil of Tzeentch's 'Radiant Transmogrification' ability, where is the Chaos Spawn set up?

A: The Tzeentch player can set up a Chaos Spawn within 3" of any of the units that had models slain by the Burning Sigil of Tzeentch.

Q: When using the Burning Sigil of Tzeentch's 'Radiant Transmogrification' ability, if models in multiple enemy units are slain, do I add 1 Tzeentch Chaos Spawn for each enemy unit that had models slain by this ability?

A: No.

Q: An endless spell summoned using the 'Arcane Armies' battle trait cannot be dispelled, but can a dispelling roll still be made against that endless spell in the first battle round?

A: No.

Q: Can a Tzaangor model added to a **TZAANGOR HOST** by the Cult of the Transient Form's 'The Change-gift' ability take the **TZAANGOR HOST** above its maximum starting size?

A: Yes.

Q: Can the Curseling use its 'Vessel of Chaos' ability to cast 'Glean Magic' twice in one phase if it unbinds two spells?

A: Yes.

Q: How does the Horrors of Tzeentch ability 'Split and Split Again' work when a **HORRORS OF TZEENTCH** unit is affected by an ability that results in a model being slain, for example, the Kraken-eater Mega-Gargant's 'Stuff 'Em In Me Bag' ability?

A: A **HORRORS OF TZEENTCH** model that is slain in this manner cannot use the 'Split and Split Again' ability.

Q: Do Kairos Fateweaver, the Lord of Change, the Gaunt Summoner on Disc of Tzeentch, the Gaunt Summoner and The Blue Scribes know all the spells from the lores mentioned on their warscrolls if one or more of those units are included in an army that is not a Disciples of Tzeentch army?

A: No. See core rules, 27.0. Spell lores are enhancements, which are a type of allegiance ability, and therefore these units can only know spells from those spell lores if they are part of a Disciples of Tzeentch army.

Q: If there are no enemy units within range of the Fluxmaster's spell 'Blue Fire of Tzeentch', can it still roll 9 dice and receive Fate Points on a 5+?

A: No.

Q: If the Coven of Thryx allied into an army that is not a Disciples of Tzeentch army, can the spell 'Bolt of Change' transform the first model slain into a Disciples of Tzeentch Chaos Spawn? Similarly, if Magister Thryx is slain after using the 'Magic-touched' ability, can I use the 'Transformed to Spawn' ability to add a Disciples of Tzeentch Chaos Spawn to my army?

A: No to both because 'Transformed to Spawn' is a Disciples of Tzeentch battle trait.

Q: Can Destiny Dice be spent to replace a re-rolled dice?

A: No.

Change the rule to:
