The following errata correct errors in the *General's Handbook 2018*. The errata are updated regularly; when changes are made any changes from the previous version will be highlighted in magenta. Where the date has a note, e.g. 'Regional update', this means it has had a local update, only in that language, to clarify a translation issue or other minor correction.

**Page 60 – Places of Arcane Power, Objectives**

The player loses control of the objective if the **Hero** or **Wizard** is not within 3” of it.’

Add the following section:

For example, if you had an Eshin army you could use the Grand Alliance Chaos allegiance abilities, and if you had an Order Draconis army you could use the Grand Alliance Order allegiance abilities. Note that if allegiance abilities exist for a faction army, you must use them.’
