The following errata correct errors in the Middle-earth Strategy Battle Game rules manual. The errata are updated regularly; when changes are made any changes from the previous version will be highlighted in magenta. Where the date has a note, e.g. ‘Regional update’, this means it has had a local update, only in that language, to clarify a translation issue or other minor correction.

Errata

Page 80 – War Beasts – The Commander
Add the following line:
A War Beast may only benefit from a Heroic March or Heroic Move that has been declared by their commander, and may not benefit from a Heroic Combat unless otherwise stated.

Page 111 – Sentries
Add the following line to the final paragraph:
If a Sentry is hit by a Shooting attack, and is not slain, then they will raise the alarm during the End phase so long as they haven’t been removed as a casualty or otherwise incapacitated.
