Although we strive to ensure that our rules are perfect, sometimes mistakes do creep in, or the intent of a rule isn’t as clear as it might be. These documents collect amendments to the rules and present our responses to players’ frequently asked questions. As they’re updated regularly, each has a version number; when changes are made, the version number will be updated, and any changes from the previous version will be highlighted in magenta. Where a version number has a letter, e.g. 1.1a, this means it has had a local update, only in that language, to clarify a translation issue or other minor correction.

FAQs

Q: Can I issue the Move! Move! Move! order to a unit which has Fallen Back this turn?
A: No. The Move! Move! Move! order states the unit must Advance, and a unit which has Fallen Back cannot Advance.

Q: How many dice does the Brutal Strength Regimental Doctrine allow me to re-roll when a Vehicle in my army fires a ranged weapon that makes a random number of attacks? Is it one dice per vehicle, or one dice per weapon?
A: You can re-roll one dice per weapon.

Q: When do I pay the Command Point cost for the Vortex Missile Stratagem?
A: After you’ve had a result of 8 or more for the Hour is Nigh ability, allowing you to fire the Deathstrike missile, but before resolving the shot.

Q: If I have, for example, a Tallarn unit of Leman Russ Battle Tanks with three tanks, can I use the Ambush Stratagem once to place all three models in ambush?
A: Yes. The same is true for any other Tallarn vehicle squadron (Basilisks, Hellhounds, etc.).

Q: If I issue an order to a unit with an Officer who has the Laurels of Command, and I roll a 4+ to issue another order to the same unit, do I resolve the first order before issuing the second?
A: Yes.

Q: Can I use The Laurels of Command to issue the same order twice to the same unit?
A: No, the second order issued must be a different order.

Q: How do The Laurels of Command and Superior Tactical Training interact? For example, my Warlord is a Cadian Company Commander and I give him The Laurels of Command and the Superior Tactical Training Warlord Trait. How many orders is he potentially allowed to issue each turn, and how many units can those orders affect?
A: If he issues an order to a Cadian Infantry unit within 6” (unit A) using his Voice of Command ability, first roll a dice for Superior Tactical Training; on a 4+, you can pick another Cadian Infantry unit (unit B) within 6” for that order to affect. Then roll a dice for The Laurels of Command; on a 4+ he can issue a second order to the first unit (unit A). You can then roll again for Superior Tactical Training; on a 4+, you can pick another Cadian Infantry unit within 6” for the second order to affect (this does not have to be unit B, but can be).

Note that when you use Superior Tactical Training, an order is not issued – rather, an already issued order affects an additional unit. So you cannot use The Laurels of Command to generate further orders as a result of using Superior Tactical Training, but you can use Superior Tactical Training to make secondary orders caused by The Laurels of Command affect an additional unit.
