Although we strive to ensure that our rules are perfect, sometimes mistakes do creep in, or the intent of a rule isn’t as clear as it might be. These documents collect amendments to the rules and present our responses to players’ frequently asked questions. As they’re updated regularly, each has a version number; when changes are made, the version number will be updated, and any changes from the previous version will be highlighted in magenta. Where a version number has a letter, e.g. 1.1a, this means it has had a local update, only in that language, to clarify a translation issue or other minor correction.

FAQs
Q: Are there any restrictions on which Legion I can choose when replacing the <Legion> Faction Keyword on datasheets within this book?
A: Yes, as follows:

You can only choose for a unit to be from the World Eaters Legion if it has the Khorne keyword, or if it has the <Mark of Chaos> keyword and you choose to replace that with Khorne.

You can only choose for a unit to be from the Thousand Sons Legion if it has the Tzeentch keyword, or if it has the <Mark of Chaos> keyword and you choose to replace that with Tzeentch. You cannot choose for a Hellforged Rapier Battery, a Chaos Hellwright or a Chaos Hellwright on Dark Abeyant to be from the Thousand Sons.

You can only choose for a unit to be from the Death Guard Legion if it has the Nurgle keyword, or if it has the <Mark of Chaos> keyword and you choose to replace that with Nurgle. You cannot choose for a Hellforged Rapier Battery, a Chaos Hellwright or a Chaos Hellwright on Dark Abeyant to be from the Death Guard.

You can only choose for a unit to be from the Emperor’s Children Legion if it has the Slaanesh keyword, or if it has the <Mark of Chaos> keyword and you choose to replace that with Slaanesh.

Otherwise, any of the units in this book can be from any Legion.

Q: There is no datasheet for a Ferrum Infennis Chaos Dreadnought – is there a datasheet I should use for this model?
A: Use the Helbrute datasheet on page 33 of Index: Chaos.

Q: There is no datasheet for an Emperor’s Children Sonic Dreadnought – is there a datasheet I should use for this model?
A: Use the Helbrute datasheet on page 33 of Index: Chaos. It must replace its <Mark of Chaos> keyword with Slaanesh, it must replace its <Legion> keyword with Emperor’s Children, and it has two additional wargear options; it may take a doom siren, and it may replace its multi-melta with two blastmasters.

Q: There is no datasheet for a Chaos Vindicator Laser Destroyer – is there a datasheet I should use for this model?
A: Use the Deimos Pattern Vindicator Laser Destroyer datasheet on page 8 of Imperial Armour Index: Forces of the Adeptus Astartes. It gains the Hellforged keyword and must replace all of its Faction keywords with the following: Chaos, Heretic Astartes, <Mark of Chaos>, <Legion>.

In addition, it gains the following ability:
‘Machina Malefica: At the end of each Fight phase, roll a number of D6 for this model equal to the number of models that were slain by it during this phase; for each dice that scores a 5+, this model regains one lost wound. This model cannot regain lost wounds by any other means.’

In addition, it gains the following weapon:
‘Weapon Range Type S AP D Abilities
Infernal Hunger Melee Melee User -3 1 -’

Q: Can a Chaos Vindicator Laser Destroyer make use of the Linebreaker Bombardment Stratagem from Codex: Chaos Space Marines?
A: No.

Q: Is the plasma destroyer supposed to have an ability that can inflict mortal wounds upon the firer if a hit roll of 1 is made for it?
A: No.

Q: Is the Chaos Hellblade supposed to have the Daemonic Machine Spirit ability?
A: No.

Q: Can a Hellforged Contemptor Dreadnought, Hellforged Deredeo Dreadnought or a Hellforged Leviathan Dreadnought use the Fire Frenzy Stratagem from e.g. Codex: Chaos Space Marines?
A: No.

Q: Does the Plague Pact Stratagem in Codex: Death Guard affect Arch-daemonic Rituals?
A: No.

Q: How many times can a Chaos Decimator armed with two soulburner petards suffer a mortal wound as a result of a hit roll of 1 for an attack made with this weapon?
A: Once per weapon (i.e. in the case of a model armed with two soulburner petards, this model could suffer 1 mortal wound when resolving the attacks of the first weapon, then another mortal wound when resolving the attacks of the second weapon).
