## Official Update Version 1.0

Although we strive to ensure that our rules are perfect, sometimes mistakes do creep in, or the intent of a rule isn't as clear as it might be. These documents collect amendments to the rules and present our responses to players' frequently asked questions. As they're updated regularly, each has a version number; when changes are made, the version number will be updated, and any changes from the previous version will be highlighted in **magenta**. Where a version number has a letter, e.g. 1.1a, this means it has had a local update, only in that language, to clarify a translation issue or other minor correction.

### FAQs

*Q: When making attacks with a unit, how many Miracle dice can be used when making several rolls simultaneously using fast dice rolling?*

A: One. Note, however, that if the unit was equipped with a Simulacrum Imperialis or within range of the Triumph of Saint Katherine's Icon of the Valorous Heart ability, this would allow multiple simultaneous rolls to be replaced with Miracle dice, up to the number of Acts of Faith that unit is permitted to perform during that phase.

**Designer's Note:** *Where the Acts of Faith ability states players can choose to use 'one or more Miracle dice', this is in reference to replacing one or more of the dice for a roll that involves multiple dice (e.g. a charge roll). Utilising fast dice rolling does not enable the player to treat several rolls made simultaneously as a 'single roll' for this purpose. For example, four hit rolls made simultaneously are still considered to be four separate rolls, and so only one of the roll's dice can be replaced with a Miracle dice.*

*Q: When determining a randomised number of mortal wounds (e.g. D3), is this treated as a damage roll for the purposes of Acts of Faith?*

A: No.

*Q: When a Miracle dice is gained, can I use the Command Re-roll Stratagem to re-roll the dice?*

A: Yes.

*Q: If I use the Faith and Fury Stratagem, is reusing the same Miracle dice for the wound roll of that attack treated as an additional Act of Faith?*

A: No.

*Q: If I use the Storm of Retribution Stratagem to affect a Retributor unit when they fire Overwatch, are attacks made with heavy bolters by models in the unit affected by the modifier to the hit roll?*

A: No.

*Q: Assuming there are no modifiers to its Attacks characteristic, how many hit rolls are made by a Mortifier equipped with 2 penitent flails?*

A: 15.
