WARHAMMER 40,000 KILL TEAM

PATHFINDER

UPDATE 1.2

As it's revised regularly, this document has a version number; where a version number has a letter, e.g. 1.1a, this means it has had a local amendment, only in that language, to clarify a translation issue or other minor correction. When this document is revised, the version number will be incremented and new updates can be identified by the presence of an asterisk (*).

DESIGNER'S COMMENTARY

This section presents commentary from game designers to clarify and expand on rare and more complex rules.

CLOSE QUARTERS

Q: For the purposes of determining if one less attack dice is rolled as a result of the Condensed Environment rule, when a **DRONE** *operative is protecting a friendly operative as a result of Saviour Protocols, do you draw Cover lines to the protected operative or the* **DRONE** *operative?*
A: The protected operative.
