

WAR ZONE NACHMUND: VIGILUS ALONE

Indomitus Version 1.0

These documents collect amendments to the rules and present our responses to players' frequently asked questions. Often these amendments are updates necessitated by new releases or community feedback. At other times, these amendments are errata designed to correct mistakes or add clarity to a rule that is not as clear as it might be.

UPDATES & ERRATA

Designer's Note: *The changes below are to ensure that the rules found in the Order of the Bloody Rose Codex supplement work in the same way as the Order of Our Martyred Lady Codex supplement found in War Zone Charadon Book II – The Book of Fire. As such, these changes allow you to include **SANCTIFIED** and **OUTCASTS** units in an Order of the Bloody Rose Detachment, and allow **CHARACTER** units that are not specifically from the Order of the Bloody Rose to be your **WARLORD** without preventing access to the Warlord Traits and Relics available to that Order through this Codex supplement.*

Page 76 – Codex Supplement: Order of the Bloody Rose

Change the second paragraph to read:

'Some rules in this section refer to an **ORDER OF THE BLOODY ROSE** Detachment. This is one that only includes units with the **ORDER OF THE BLOODY ROSE** keyword (excluding models with the **SANCTIFIED**, **CULT IMPERIALIS**, **OUTCASTS**, **AGENT OF THE IMPERIUM** or **UNALIGNED** keywords).'

Page 76 – Warlord Traits

Change the first sentence to read:

'If an **ORDER OF THE BLOODY ROSE CHARACTER** model gains a Warlord Trait, you can use the Order of the Bloody Rose Warlord Traits table below to determine what Warlord Trait they have, instead of one from another source.'

Page 77 – Relics

Change the first sentence to read:

'If your **WARLORD** is **MORVENN VAHL**, **TRIUMPH OF SAINT KATHERINE**, **CELESTINE** or an **ORDER OF THE BLOODY ROSE CHARACTER** model, you can, when mustering your army, give one of the following Relics of the Ecclesiarchy to an **ORDER OF THE BLOODY ROSE CHARACTER** model from your army.'

Page 78 – Outrage of the Matriarch

Change the second sentence of this Stratagem to read:

'Until the end of the phase, each time that model makes an attack that targets an enemy unit containing any models with a Wounds characteristic that exceeds its own.'
