WHITE DWARF ISSUE 474 & KILL TEAM ANNUAL 2022

*Q: For the Saedath ability, if the damage inflicted from an attack dice is ignored (e.g. Just a Scratch Tactical Ploy, **KOMMANDO**), does that dice count as inflicting damage for the performances of the Epic or Melodrama allegory?*

A: No.

*Q: Similar to the above question, does it count as inflicting damage if all of the lost wounds are subsequently ignored (e.g. Disgustingly Resilient ability, **DEATH GUARD**)?*

A: In this case, yes, as the damage has been inflicted; it's the lost wounds that are ignored.

*Q: Can I use the Cegorach's Jest Strategic Ploy against an enemy operative's strike that was done 'as if it were a combat' or similar (e.g. Unending Bloodshed Tactical Ploy, **LEGIONARY**)?*

A: No. In such cases, the friendly **VOID-DANCER TROUPE** operative isn't fighting in combat itself.

*Q: When using the Between Colours Strategic Ploy, does the operative have to be in a location it can be placed to perform the **Shoot** action?*

A: Yes.

Q: When using The Curtain Falls Tactical Ploy, if the enemy operative is incapacitated, can the friendly operative still **Fall Back?*

A: No, unless the enemy operative wouldn't be removed from the killzone for any reason after being incapacitated, e.g. the In Death, Atonement Tactical Ploy, **VETERAN GUARDSMAN**.
