

# ADEPTA SORORITAS

## ARMY RULE

The Battle Sisters of the Adepta Sororitas bear the holy weaponry with which the Emperor's legions conquered the galaxy, and illuminate the faithless in lethal volleys from the holy trinity of bolter, flamer and melta weapons. It is said the Emperor's benediction touches each of these warriors, manifesting as a nimbus of holy light in which his power is revealed in miraculous deeds of fortitude and divine strength.

### ACTS OF FAITH

If your Army Faction is **ADEPTA SORORITAS**, each unit from your army with this ability can perform one Act of Faith per phase. This is done using Miracle dice.

#### GAINING MIRACLE DICE

If your Army Faction is **ADEPTA SORORITAS**, you gain 1 Miracle dice:

- At the start of each turn.
- Each time an **ADEPTA SORORITAS** unit from your army is destroyed.

Each time you gain a Miracle dice, roll one D6. The number you roll is the value of that Miracle dice. This value cannot be changed or re-rolled, unless a rule specifically states otherwise. Keep your Miracle dice to one side – this is your Miracle dice pool.

#### PERFORMING AN ACT OF FAITH

Before making a dice roll for a model or unit from your army with the Acts of Faith ability, if you have one or more dice in your Miracle dice pool, that unit can perform an Act of Faith. If it does, select one of the dice from your Miracle dice pool to substitute that dice roll (if a roll involves more than one dice, e.g. a Charge roll or Battle-shock test, only a single dice can be substituted). The dice that is being substituted is not rolled; instead the value of the selected Miracle dice is used as if it had been rolled (this counts as an unmodified dice roll of that value for all rules purposes). Each Miracle dice can only be selected for substitution once. Once all Miracle dice substitutions have been made, remove the chosen Miracle dice from your Miracle dice pool, and roll all remaining, unsubstituted dice that are a part of the dice roll. You can use Miracle dice when a unit performs an Act of Faith for any of the following types of dice roll:

- Advance roll
- Battle-shock test
- Charge roll
- Damage roll
- Hit roll
- Saving throw
- Wound roll

**Example:** *Instead of rolling 2D6 to take a unit's Battle-shock test, you could use one dice from your Miracle dice pool. If the value of that dice was 4, the unit's Battle-shock test would be determined by rolling one D6 and adding 4 to it (i.e. it would be D6+4).*

# ADEPTA SORORITAS – HALLOWED MARTYRS

## DETACHMENT RULE

If your Army Faction is **ADEPTA SORORITAS**, you can use this Hallowed Martyrs Detachment rule.

### THE BLOOD OF MARTYRS

*The blood of martyrs is the life force of the Imperium. So do the tenets of this Order joyously proclaim, and in its warriors' darkest hour does the sacrifice of their fallen Sisters shine brightest.*

Each time an **ADEPTA SORORITAS** model from your army makes an attack, add 1 to the Hit roll if that model's unit is below its Starting Strength, and add 1 to the Wound roll, as well, if that model's unit is Below Half-strength. For the purposes of this ability, if a unit has a Starting Strength of 1, it is considered to be below its Starting Strength while it has lost one or more wounds.

# ADEPTA SORORITAS – HALLOWED MARTYRS

## STRATAGEMS

If you are using the Hallowed Martyrs Detachment rule, you can use these Hallowed Martyrs Stratagems.

### DIVINE INTERVENTION

HALLOWED MARTYRS – EPIC DEED STRATAGEM

*Sometimes, a brush with death is so close the only explanation is divine intervention.*

1CP

**WHEN:** Any phase.

**TARGET:** One **ADEPTA SORORITAS CHARACTER** unit from your army that was just destroyed. You can use this Stratagem on that unit even though it was just destroyed.

**EFFECT:** Discard 1-3 Miracle dice. At the end of the phase, set the last destroyed model from your unit back up on the battlefield, as close as possible to where it was destroyed and not within Engagement Range of any enemy models. That model is set back up with a number of wounds remaining equal to the number of Miracle dice you discarded.

**RESTRICTIONS:** You cannot select **SAINT CELESTINE** as the target of this Stratagem. You cannot select the same **CHARACTER** as the target of this Stratagem more than once per battle.

### LIGHT OF THE EMPEROR

HALLOWED MARTYRS – BATTLE TACTIC STRATAGEM

*The Emperor's radiance shines upon his warriors, emboldening them amidst the thick of battle in their darkest hour.*

1CP

**WHEN:** Command phase.

**TARGET:** One **ADEPTA SORORITAS** unit from your army that is below its Starting Strength. For the purposes of this Stratagem, if a unit has a Starting Strength of 1, it is considered to be below its Starting Strength while it has lost one or more wounds.

**EFFECT:** Until the end of the turn, your unit can ignore any or all modifiers to its characteristics and/or to any roll or test made for it (excluding modifiers to saving throws).

### HOLY RAGE

HALLOWED MARTYRS – STRATEGIC PLOY STRATAGEM

*With psalms on their lips, the faithful hurl themselves forward, striking the foe down with the inner strength born of faith in the Emperor.*

1CP

**WHEN:** Fight phase.

**TARGET:** One **ADEPTA SORORITAS** unit from your army that has not been selected to fight this phase.

**EFFECT:** Until the end of the phase, each time a model in your unit makes a melee attack, add 1 to the Wound roll.

# ADEPTA SORORITAS – HALLOWED MARTYRS

## STRATAGEMS

If you are using the Hallowed Martyrs Detachment rule, you can use these Hallowed Martyrs Stratagems.

### SPIRIT OF THE MARTYR

HALLOWED MARTYRS – STRATEGIC PLOY STRATAGEM

*Even with their dying act, the Sororitas mete out the Emperor's judgement.*

2CP

**WHEN:** Fight phase, just after an enemy unit has selected its targets.

**TARGET:** One **ADEPTA SORORITAS** unit from your army that was selected as the target of one or more of the attacking unit's attacks.

**EFFECT:** Until the end of the phase, each time a model in your unit is destroyed, if that model has not fought this phase, do not remove it from play. The destroyed model can fight after the attacking model's unit has finished making attacks, and is then removed from play.

### SUFFERING & SACRIFICE

HALLOWED MARTYRS – STRATEGIC PLOY STRATAGEM

*Suffering is a staple prayer for the Adepta Sororitas, and a martyr's fate only brings greater glory to the God-Emperor.*

1CP

**WHEN:** Start of the Fight phase.

**TARGET:** One **ADEPTA SORORITAS INFANTRY** or **ADEPTA SORORITAS WALKER** unit from your army.

**EFFECT:** Until the end of the phase, each time an enemy model within Engagement range of your unit selects targets, it must select your unit as the target of its attacks.

### REJOICE THE FALLEN

HALLOWED MARTYRS – STRATEGIC PLOY STRATAGEM

*The death of a Battle Sister only stirs the survivors to fight harder to exact swift vengeance.*

1CP

**WHEN:** Your opponent's Shooting phase, just after an enemy unit has resolved its attacks.

**TARGET:** One **ADEPTA SORORITAS** unit from your army that had one or more of its models destroyed as a result of the attacking unit's attacks.

**EFFECT:** Your unit can shoot as if it were your Shooting phase, but it must target only that enemy unit when doing so, and can only do so if that enemy unit is an eligible target.

# ADEPTA SORORITAS – HALLOWED MARTYRS

## ENHANCEMENTS

If you are using the Hallowed Martyrs Detachment rule, you can use these Hallowed Martyrs Enhancements.

### SAINTLY EXAMPLE

*With her final breath is another heroine elevated to the ranks of sainthood, her death stirring her greatest companions to finish what she started.*

**ADEPTA SORORITAS** model only. When the bearer is destroyed, you gain an additional D3 Miracle dice.

### BLADE OF SAINT ELLYNOR

*This blade is forged from thrice-blessed silver, quenched in the blood of a hundred martyred heroes. On one side the names and deeds of a thousand saints are inscribed on the molecular level, while the other side is etched with the entire Fede Imperialis. The blade glows with righteous power and has slain heretics, mutants and xenos beyond counting.*

**ADEPTA SORORITAS** model only. Add 1 to the Attacks, Strength and Damage characteristics of the bearer's melee weapons. If the bearer has lost one or more wounds, add 2 to the Attacks, Strength and Damage characteristics of the bearer's melee weapons instead.

### LITANIES OF FAITH

*When Sebastian Thor was declared Ecclesiarch in the wake of the Age of Apostasy, his first sermon was transcribed onto scrolls by an army of scribes. Today, only a single original copy remains, kept in a stasis vault beneath the Convent Prioris on Terra and released only with the sanction of the Ecclesiarch himself. This unassuming parchment is one of the holiest relics in the Ministerum's charge, its mere presence enough to fill the hearts of the faithful with righteous fervour.*

**ADEPTA SORORITAS** model only. At the end of your Command phase, if the bearer is on the battlefield, you can re-roll one Miracle dice from your Miracle dice pool and return it to your Miracle dice pool with the new result you rolled. When doing so, if the bearer has lost one or more wounds or is leading a unit that is Below Half-strength, you can re-roll up to three Miracle dice in this way instead.

### MANTLE OF OPHELIA

*The Mantle of Ophelia was once the badge of office for the Prioress of the Convent Sanctorum, and was worn by Helena the Virtuous, a Living Saint and one of the most revered leaders in the history of the Adepta Sororitas. The mantle is thought to have sacred powers of protection, for Helena was said to have anointed it with the Tears of the Emperor, a phial of blood-like liquid meticulously collected over a century from weeping statues of the Emperor found across the cardinal worlds of the Imperium.*

**CANONNESS** or **PALATINE** model only. Each time an attack is allocated to the bearer, change the Damage characteristic of that attack to 1.

ADEPTA SORORITAS

# BATTLE SISTERS SQUAD

*Battle Sisters of the Orders Militant are skilled and devout warriors. Wherever they advance, the light of the Emperor spreads like a holy dawn. Miracles manifest in their presence that turn aside the enemy's strikes, or consume foes in fires of retribution as the Sisters cut down heretics with thundering salvos from their boltguns.*

## WARGEAR OPTIONS

- The Sister Superior's boltgun can be replaced with one of the following:
  - 1 bolt pistol
  - 1 combi-weapon\*
  - 1 condemnor boltgun\*
  - 1 inferno pistol\*
  - 1 Ministorum hand flamer\*
  - 1 plasma pistol\*
- The Sister Superior can be equipped with one of the following:
  - 1 chainsword
  - 1 power weapon
- 1 Battle Sister's boltgun can be replaced with one of the following:
  - 1 artificer-crafted storm bolter
  - 1 heavy bolter
  - 1 meltagun
  - 1 Ministorum flamer
  - 1 Ministorum heavy flamer
  - 1 multi-melta
- 1 Battle Sister equipped with 1 boltgun can be equipped with 1 simulacrum imperialis (that model's boltgun cannot be replaced).

*\* This weapon's profile can be found on the Adepta Sororitas Armoury card.*

## UNIT COMPOSITION

- 1 Sister Superior
- 9 Battle Sisters

Every model is equipped with: bolt pistol; boltgun; close combat weapon.

# DOMINION SQUAD

*Dominion Squads strike as swift and furious as lightning, clearing bunkers, capturing strategic locations and blunting counter-attacks with vicious salvos from their flammers and meltaguns. They are aggressive, but not impetuous, matching their desire to kill with an awareness of tactical values and bringing righteousness where it is needed most.*

## WARGEAR OPTIONS

- The Dominion Superior's boltgun can be replaced with one of the following:
    - 1 bolt pistol
    - 1 combi-weapon\*
    - 1 condemnor boltgun\*
    - 1 inferno pistol\*
    - 1 Ministorum hand flamer\*
    - 1 plasma pistol\*
  - The Dominion Superior can be equipped with one of the following:
    - 1 chainsword
    - 1 power weapon
- Up to 4 Dominions can each have their boltgun replaced with one of the following:
    - 1 artificer-crafted storm bolter
    - 1 meltagun
    - 1 Ministorum flamer
  - 1 Dominion equipped with 1 boltgun can be equipped with 1 simulacrum imperialis (that model's boltgun cannot be replaced).

*\*This weapon's profile can be found on the Adepta Sororitas Armoury card.*

## UNIT COMPOSITION

- 1 Dominion Superior
- 9 Dominions

Every model is equipped with: bolt pistol; boltgun; close combat weapon.
