

DRUKHARI

ARMY RULE

The Drukhari are experts in precise torture, sharp blades, cruel poisons and eldritch abominations. Using the labyrinthine network of webway spars, they strike almost anywhere. Realspace raiding parties prey upon worlds across the galaxy, surging from hidden portals unknown to those they see merely as cattle or playthings. As the Drukhari feed on the souls of the slain, they become imbued with supernatural might, eventually turning into killing machines.

POWER FROM PAIN

If your Army Faction is **DRUKHARI**, units from your army with this ability can become Empowered Through Pain. This is done using Pain tokens.

GAINING PAIN TOKENS

If your Army Faction is **DRUKHARI**, you gain Pain tokens as follows:

- At the start of the battle, depending on the battle size:

COMBAT PATROL	1 PAIN TOKEN
INCURSION	2 PAIN TOKENS
STRIKE FORCE	3 PAIN TOKENS
ONSLAUGHT	4 PAIN TOKENS

- Each time an enemy unit is destroyed, you gain 1 Pain token.
- Each time an enemy unit fails a Battle-shock test, you gain 1 Pain token.

Each time you gain a Pain token, keep it to one side – this is your Pain token pool.

EMPOWERED THROUGH PAIN

At the start of any phase, you can expend one or more Pain tokens from your Pain token pool. Each time you do, select one unit from your army with the Power from Pain ability. Until the end of the phase, that unit is Empowered, and gains the abilities listed below, depending on the phase.

- Empowered in the Movement or Charge phase:
 - You can re-roll Advance or Charge rolls made for that unit.

- Empowered in the Shooting or Fight phase:
 - Each time a model in that unit makes an attack, you can re-roll the Hit roll and, if it is a melee attack, improve the Armour Penetration characteristic of that attack by 1.

DRUKHARI – REALSPACE RAIDERS

DETACHMENT RULE

If your Army Faction is **DRUKHARI**, you can use this Realspace Raiders Detachment rule.

REALSPACE RAIDERS

The three factions of the Drukhari are constantly vying for supremacy, each convinced beyond doubt of their own innate superiority. This struggle manifests during their realspace raids as a frenzy of murderously sadistic competition.

At the start of the battle, you gain an additional 1 Pain token for each of the following your army contains:

- One or more **ARCHON** models
- One or more **SUCCUBUS** models
- One or more **HAEMONCULUS** models

Designer's Note: *These are all cumulative, so if your army contains at least one Archon, at least one Succubus and at least one Haemonculus, you would start the battle with an additional 3 Pain tokens.*

DRUKHARI – REALSPACE RAIDERS

ENHANCEMENTS

If you are using the Realspace Raiders Detachment rule, you can use these Realspace Raiders Enhancements.

CRUCIBLE OF MALEDICTION

When opened, the souls of tortured psykers spew outward, driving any nearby warp-wielders insane.

HAEMONCULUS model only. Once per battle, at the start of any Shooting phase, the bearer can use this Enhancement. When it does, every enemy unit within 12" must take a Battle-shock test, subtracting 1 from that test if the bearer's unit is currently Empowered. Each time a **PSYKER** unit fails this test, it suffers D3 mortal wounds.

LABYRINTHINE CUNNING

This Archon has a mind like steel traps, assimilating every detail of a situation.

ARCHON model only. Each time you select the bearer's unit as the target of a Stratagem, roll one D6, adding 3 to the result if the Stratagem being used is Alliance of Agony: on a 4+, you gain 1CP.

BLOOD DANCER

This Succubus is renowned for their expertise at close-quarters combat within the arenas of Commorragh. The skills they display before the baying crowds on the blood-soaked sands are equally deadly on the battlefield.

SUCCUBUS model only. Improve the Attacks and Armour Penetration characteristics of the bearer's melee weapons by 1. While the bearer is Empowered, Improve the Attacks and Armour Penetration characteristics of the bearer's melee weapons by 2 instead.

THE ART OF PAIN

Some Drukhari elevate their battle plans to another level by creating a spectacle of torment that maims and cripples every foe in order to draw out the moment of the kill, heightening the pleasure they derive before the fatal blow falls.

DRUKHARI model only. In your Command phase, if the bearer is on the battlefield, you gain 1 Pain token.

DRUKHARI – REALSPACE RAIDERS

STRATAGEMS

If you are using the Realspace Raiders Detachment rule, you can use these Realspace Raiders Stratagems.

1CP

PREY ON THE WEAK

REALSPACE RAIDERS – BATTLE TACTIC STRATAGEM

The scent of a foe in pain draws Drukhari to it like hungry predators to an injured beast, their senses sharpening at its tang.

WHEN: Your Shooting phase.

TARGET: One **KABAL** unit from your army and one enemy unit that is Below Half-strength.

EFFECT: Until the end of the phase, each time a model in your unit makes an attack that targets that enemy unit, you can re-roll the Wound roll.

1CP

ACROBATIC DISPLAY

REALSPACE RAIDERS – EPIC DEED STRATAGEM

Many Wych Cults favour spectacular gymnastic displays. Their fighters are never still, springing from one foot to the other at blinding speed.

WHEN: Your Charge phase.

TARGET: One **WYCH CULT** unit from your army.

EFFECT: Until the end of the phase, your unit is eligible to declare a charge even if it Fell Back or Advanced this turn.

2CP

STRIKE AND FADE

REALSPACE RAIDERS – EPIC DEED STRATAGEM

The Drukhari are masters at using hit-and-run tactics, engaging a target with a flurry of shots before quickly manoeuvring into cover or out of sight.

WHEN: End of your Shooting phase.

TARGET: One **DRUKHARI** unit from your army (excluding **AIRCRAFT**).

EFFECT: Your unit can immediately make a Normal move.

RESTRICTIONS: Until the end of the turn, your unit is not eligible to declare a charge and that unit cannot embark within a

TRANSPORT at the end of this move.

DRUKHARI – REALSPACE RAIDERS

STRATAGEMS

If you are using the Realspace Raiders Detachment rule, you can use these Realspace Raiders Stratagems.

ALLIANCE OF AGONY

REALSPACE RAIDERS – BATTLE TACTIC STRATAGEM

Even the most bloodthirsty Drukhari will veil their enmity to work together against a shared enemy for the same gruesome purpose.

WHEN: Start of any phase.

TARGET: One **ARCHON**, one **SUCCUBUS** and one **HAEMONCULUS** from your army.

EFFECT: Discard one Pain token from your Pain token pool. Until the end of the phase, all three of those models' units are Empowered.

RESTRICTIONS: You can only use this Stratagem if you are able to select all three of the target models stated above.

1CP

INSENSIBLE TO PAIN

REALSPACE RAIDERS – BATTLE TACTIC STRATAGEM

The twisted creations of the Haemonculus Covens are insensible to all but the most mortal injuries.

WHEN: Your opponent's Shooting phase or the Fight phase, just after an enemy unit has selected its targets.

TARGET: One **HAEMONCULUS COVENS** unit from your army that was selected as the target of one or more of the attacking unit's attacks.

EFFECT: Until the end of the phase, each time an attack targets your unit, subtract 1 from the Wound roll.

1CP

QUICKSILVER REACTIONS

REALSPACE RAIDERS – BATTLE TACTIC STRATAGEM

The hyper-fast reflexes of the Drukhari allow them to duck and weave to avoid all but the swiftest enemy strikes.

WHEN: Your opponent's Shooting phase or the Fight phase, just after an enemy unit has selected its targets.

TARGET: One **DRUKHARI** unit from your army that was selected as the target of one or more of the attacking unit's attacks.

EFFECT: Until the end of the phase, each time an attack that targets your unit, subtract 1 from the Hit roll.

RESTRICTIONS: You cannot target a **HAEMONCULUS COVENS** unit from your army for this Stratagem.

1CP

DRUKHARI – SKYSPLINTER ASSAULT

DETACHMENT RULE

If your Army Faction is **DRUKHARI**, you can use this Skysplinter Assault Detachment rule.

RAIN OF CRUELTY

Few warriors in the galaxy are as adept at launching punishing skyborne raids as the Drukhari. Before their prey even realise the peril, the killers of Commorragh are amongst their lines like grinning ghouls. Splinter fire lays low defenders still scrambling into position. Quicksilver assaults leave dozens screaming in maimed agony. Often, the battle is over before it has even truly begun.

Each time a **DRUKHARI** unit from your army disembarks from a **TRANSPORT**, until the end of the turn, that unit's ranged weapons have the **[IGNORES COVER]** ability and that unit's melee weapons have the **[LANCE]** ability.

DRUKHARI – SKYSPLINTER ASSAULT

ENHANCEMENTS

If you are using the Skysplinter Assault Detachment rule, you can use these Skysplinter Assault Enhancements.

PHANTASMAL SMOKE

Phantasm grenade launchers, elegantly worked into the curved hull plates of their Raiders, discharge in covering patterns. Hallucinogenic vapours conceal the advancing Drukhari and confuse their foes' aim.

DRUKHARI model only. While the bearer's unit is wholly within 6" of a friendly **DRUKHARI TRANSPORT**, models in the bearer's unit have the Benefit of Cover and the Stealth ability.

SADISTIC FULCRUM

Witnessing this murderous warrior wreaking havoc, the sadistic crew of the Drukhari anti-grav transports are filled with the vigour only the suffering of others can provide.

DRUKHARI model only. Each time you expend a Pain token to Empower the bearer's unit in the Shooting phase, you can select one friendly **DRUKHARI TRANSPORT** within 3" of the bearer's unit; until the end of the phase, that **TRANSPORT** is also Empowered.

SPITEFUL RAIDER

This cruel realspace raider knows the best reason to take something from the foe is for the simple spite of denying them that which they most desire to keep.

DRUKHARI model only. Each time the bearer's unit destroys an enemy unit in the Fight phase, if that enemy unit was within range of one or more objective markers when the bearer's unit was selected to fight, you gain 1 additional Pain token.

NIGHTMARE SHROUD

This strange Drukhari artefact wreathes its bearer and their allies in a cloying cloud of unnatural shadow. Flitting into battle under cover of this pall, they are nigh impossible for the prey to see coming.

DRUKHARI model only. Each time the bearer's unit disembarks from a **TRANSPORT**, until the end of the turn, enemy units cannot use the Fire Overwatch Stratagem to shoot at the bearer's unit.

DRUKHARI – SKYSPLINTER ASSAULT

STRATAGEMS

If you are using the Skysplinter Assault Detachment rule, you can use these Skysplinter Assault Stratagems.

VICIOUS BLADES

SKYSPLINTER ASSAULT – STRATEGIC PLOY STRATAGEM

Wielding a horrifying array of hooked boarding blades, barbed lariats and other specialised tools of agony, these warriors hack and slash at their foes even as their transport skims low overhead.

WHEN: Fight phase, just after a **DRUKHARI TRANSPORT** from your army has selected its targets.

TARGET: That **TRANSPORT**.

EFFECT: After your **TRANSPORT** has fought, select one enemy unit that was the target of one or more of those attacks and roll one D6 for each model embarked within your **TRANSPORT**, adding 1 to the result if that embarked model is a **WRACKS** model: for each 5+, that enemy unit suffers 1 mortal wound (to a maximum of 6 mortal wounds).

WRAITHLIKE RETREAT

SKYSPLINTER ASSAULT – STRATEGIC PLOY STRATAGEM

Employing smoke grenades, paralysing mists or simple cunning and agility, these warriors slip away like spectres.

WHEN: End of the Fight phase.

TARGET: One **DRUKHARI INFANTRY** unit from your army that fought this phase.

EFFECT: Your unit can make a Normal or Fall Back move, but unless it is a **WYCHES** unit, it must end that move wholly within 3" horizontally and 5" vertically of a friendly **DRUKHARI TRANSPORT** and must embark within that **TRANSPORT** at the end of that move.

POUNCE ON THE PREY

SKYSPLINTER ASSAULT – STRATEGIC PLOY STRATAGEM

Incredible alien agility and a delight in taking wild risks help these warriors to leap acrobatically from their skimming transports directly into battle.

WHEN: Your Movement phase, just after a **DRUKHARI INFANTRY** unit from your army disembarks from a **TRANSPORT** that made a Normal move this phase.

TARGET: That **INFANTRY** unit.

EFFECT: Until the end of the turn, your unit is eligible to declare a charge.

SKYBORNE ANNIHILATION

SKYSPLINTER ASSAULT – BATTLE TACTIC STRATAGEM

These warriors are well versed in raining suppressing fire on the foe even as they close with them from on high, shredding defences and leaving the survivors easy prey for the raid.

WHEN: Your Shooting phase.

TARGET: One **DRUKHARI** unit from your army that disembarked from a **TRANSPORT** this turn and has not been selected to shoot this phase.

EFFECT: Until the end of the phase, ranged weapons equipped by models in your unit have the **[SUSTAINED HITS 1]** ability, or the **[SUSTAINED HITS 2]** ability instead if it is a **KABALITE WARRIORS** unit.

DRUKHARI – SKYSPLINTER ASSAULT

STRATAGEMS

If you are using the Skysplinter Assault Detachment rule, you can use these Skysplinter Assault Stratagems.

SWOOPING MOCKERY

SKYSPLINTER ASSAULT – STRATEGIC PLOY STRATAGEM

The crew of this skimmer delight in evading and taunting their enemies with mocking ease.

1CP

WHEN: Your opponent's Movement phase, just after an enemy unit ends a Normal, Advance or Fall Back move.

TARGET: One **DRUKHARI TRANSPORT** from your army that is not within Engagement Range of one or more enemy units and is within 9" of the enemy unit that just ended that move.

EFFECT: Your **TRANSPORT** can make a Normal move of up to 6".

NIGHT SHIELD

SKYSPLINTER ASSAULT – WARGEAR STRATAGEM

These powerful Drukharri devices occlude their raiding vehicles not only from physical sight but also targeting sensors and even psychic senses.

1CP

WHEN: Your opponent's Shooting phase, just after an enemy unit has selected its targets.

TARGET: One **DRUKHARI VEHICLE** unit from your army that was selected as the target of one or more of the attacking unit's attacks.

EFFECT: Until the end of the phase, your unit has a 4+ invulnerable save.

➡ Before selecting targets for this weapon, select one of its profiles to make attacks with.

KEYWORDS: VEHICLE, AIRCRAFT, FLY, AELDARI, VOIDRAVEN BOMBER

ABILITIES

CORE: **Deadly Demise D3, Stealth**

FACTION: **Power from Pain**

Void Mine: Once per battle, after this unit ends a Normal move, you can select one enemy model it moved over during that move and roll one D6 for each enemy unit within D6" of that enemy model: on a 4+, that enemy unit suffers D6 mortal wounds.

DAMAGED: 1-4 WOUNDS REMAINING

While this model has 1-4 wounds remaining, each time this model makes an attack, subtract 1 from the Hit roll.

INVULNERABLE SAVE

VOIDRAVEN BOMBER

Mounting some of the most powerful guns in the Drukhari arsenal, the Voidraven Bomber's dark scythes and void lances can crack heavily armoured targets. Yet they pale against the silent aircraft's primary weapon – the void mine. Once this arcane payload is deployed, the resulting darklight implosion erases all caught within its blast.

WARGEAR OPTIONS

- This model can be equipped with 1 Voidraven missiles.
- The model's 2 void lances can be replaced with 2 dark scythes.

UNIT COMPOSITION

- 1 Voidraven Bomber

This model is equipped with: 2 void lances; bladed wings.

WRACKS

The gnarled hide of the Wracks is a leathery mass of old scars, injured to pain. These adepts of fleshcrafting serve wizened masters of the Covens, and are as much experiments as they are apprentices. They are granted a host of gruesome tools, butchering blades and arcane bio-weapons with which they inflict maximum agony.

WARGEAR OPTIONS

- For every 5 models in the unit:
 - 1 model can be equipped with 1 hexrifler*
 - 1 model can be equipped with 1 liquifier gun*
 - 1 model can be equipped with 1 ossefactor*
 - 1 model can be equipped with 1 stinger pistol*

**Each model cannot be equipped with more than 1 ranged weapon.*

UNIT COMPOSITION

- 1 Acothyst
- 4-9 Wracks

Every model is equipped with: Wrack blades.

ABILITIES

FACTION: Power from Pain

No Escape: Each time an enemy unit (excluding **MONSTERS** and **VEHICLES**) within Engagement Range of one or more units from your army with this ability is selected to Fall Back, models in that enemy unit must take Desperate Escape tests as if their unit was Battle-shocked. When doing so, if that enemy unit is also Battle-shocked by other means, subtract 1 from each of those Desperate Escape tests.

WARGEAR ABILITIES

Phantasm Grenade Launcher: The bearer's unit has the **GRENADES** keyword.

INVULNERABLE SAVE*

6+

*The invulnerable save that models in this unit have is improved to a 4+ against melee attacks.

WYCHES

The dancers of death, Wyches are acrobatic murder-artists, exhibiting their incredible arena skills to slay with precision and élan. They wield exotic weapons – hooks, barbed chains or flensing blades – that require superior ability. These are deadly in Wyches' hands as they dart, twist and blur around their foes' clumsy attacks.

WARGEAR OPTIONS

- The Hekatrix can be equipped with 1 phantasm grenade launcher.
- The Hekatrix's splinter pistol can be replaced with 1 blast pistol.

UNIT COMPOSITION

- 1 Hekatrix
- 9 Wyches

Every model is equipped with: splinter pistol; Hekatarii blade.
