

BATTLESCROLL: ANDTOR

JULY 2023

Changes from the previous battlescroll are highlighted in magenta.

1.3.3 - UNIT COHERENCY

Change to:

'Units must be set up and finish every move as a single **coherent** group. A unit with **2 to 6 models** is coherent if each model in the unit is within 1" horizontally and 6" vertically of at least 1 other model in the unit. A unit with **more than 6 models** is coherent if each model in the unit is within 1" horizontally and 6" vertically of at least 2 other models in the unit. If a friendly unit is not coherent at the end of a turn or after you set it up, you must remove models in the unit from play, one at a time, until it is coherent.'

7.2 - HERO PHASE COMMAND ABILITIES, RALLY

Add the following text to the end of the rule:

'You can only return models to that unit that have a combined Wounds characteristic of 10 or less. For example, if the unit that received the command has a Wounds characteristic of 2, you can return a maximum of 5 models to that unit.'

10.1.2 - LOOK OUT, SIR!

Change the rule to:

'You must subtract 1 from the hit roll (see 13.3) for an attack made with a missile weapon if the target is an enemy **HERO** within 3" of an enemy unit that has 3 or more models. If that **HERO** does not have a mount (with the exception of companions), it also cannot be targeted by attacks made with missile weapons if the attacking model is more than 12" away from them. The **Look Out, Sir!** rule does not apply if the enemy **HERO** has a Wounds characteristic of 10 or more.'

27.5.2 - UNIVERSAL ARTEFACTS OF POWER, ARCANIC TOME

Change to:

'**HERO** that does not have the **WIZARD, PRIEST** or **KHORNE** keyword. The bearer becomes a **WIZARD** that can only cast Arcane Bolt, Mystic Shield and spells to summon endless spells on your army roster. They can attempt to cast 1 spell in your hero phase and attempt to unbind 1 spell in the enemy hero phase.'

Designer's Note: When using the Pitched Battles 2023-24 battlepack in the General's Handbook, if a **HERO** with a Wounds characteristic of 9 or less is given the Arcane Tome, it gains the **ANDTORIAN LOCUS** keyword.

GRAND ALLIANCE CHAOS

BLADES OF KHORNE

Change the Murderlust reward ability on the Blood Tithe table to:

'Pick 1 friendly **BLADES OF KHORNE** unit that is more than 3" from all enemy units. That unit can make a D6" move, and it can finish that move within 3" of any enemy units. You can spend Blood Tithe points on this Reward up to 3 times at the end of each hero phase instead of only once, but you cannot pick the same unit to benefit from this ability more than once per phase.'

GRAND ALLIANCE DEATH

FLESH-EATER COURTS

Change the Deathless Courtiers battle trait to:

'Friendly **FLESH-EATER COURTS** units have a ward of 6+.'

SOULBLIGHT GRAVELORDS

Endless Legions: Change the last two paragraphs to:

'If you pick a **SUMMONABLE** unit that is not a **HERO**, on a 4+, a new replacement unit with half of the models from the unit that was destroyed (rounding up) is added to your army. That unit must be set up wholly within 12" of a friendly **SOULBLIGHT GRAVELORDS HERO** or gravesite and more than 3" from all enemy units if it is your turn or more than 9" if it is the enemy turn, and it cannot attempt a charge or make pile-in moves in the same turn. Each destroyed unit can only be replaced once – replacement units cannot themselves be replaced.'

If you pick a **SUMMONABLE HERO**, on a 4+, you can set up that **HERO** wholly within 12" of a friendly **SOULBLIGHT GRAVELORDS HERO** or gravesite, more than 3" from all enemy units if it is your turn or more than 9" if it is the enemy turn, and with 3 wounds allocated to it. That **HERO** cannot attempt a charge or make a pile-in move in the same turn. You cannot pick the same **HERO** to benefit from this ability more than once per battle.'

DEADWALKER ZOMBIES

Dragged Down and Torn Apart: Change to:

'Each time a model in this unit is slain by an attack made with a melee weapon, if that model is within 3" of the attacking unit, roll a dice. On a 5+, the attacking unit suffers 1 mortal wound.'

BATTLESCROLL: ANDTOR

JULY 2023

GRAND ALLIANCE ORDER

STORMCAST ETERNALS

Change the Thunderbolt Volley command ability to: 'You can use this command ability once per battle in your hero phase. The command can only be issued by a friendly **KNIGHT** to a unit wholly within 12" of them or by a friendly **LORD** or **DRACONITH** to a unit wholly within 18" of them. The unit that receives the command must be a friendly **JUSTICAR** or **ANGELOS** unit that is not reinforced. That unit can shoot in that phase.'

Stormdrake Guard: Change the Draconic Onslaught ability to: 'Once per battle, in your charge phase, you can say that this unit will unleash its draconic onslaught. If you do so, you can re-roll charge rolls for this unit in that phase.'

LUMINETH REALM-LORDS

Great Nation of Helon: Change the Gale of Killing Shafts rule to: 'In your shooting phase, when you pick a friendly **HELON** unit to shoot, you can say that it will unleash a gale of killing shafts. If you do so, in that phase, you can add 1 to hit rolls and wound rolls for that unit's missile weapons, but that unit can only target enemy units within 6" of it.'

CITIES OF SIGMAR

Living City: Change the Strike then Melt Away battle trait to: 'You can use this command ability at the end of your shooting phase. If you do so, pick 1 friendly **LIVING CITY** unit that shot in that phase, is more than 9" from any enemy units and is wholly within 18" of a friendly **LIVING CITY HERO**. That unit can make a normal move (it cannot run), but it cannot finish that move within 9" of any enemy units. A unit cannot benefit from this command ability more than once per phase.'

DAUGHTERS OF KHAINE

Remove this sentence from the Clash of Arms battle tactic: 'If 2 or more of those units are **WITCH AELVES** or **SISTERS OF SLAUGHTER**, score 1 additional victory point.'

Remove this sentence from the Tide of Blades battle tactic: 'If 2 or more of those units are **WITCH AELVES**, score 1 additional victory point.'

GRAND ALLIANCE DESTRUCTION

ORRUK WARCLANS

Add the following battle tactics:

'Sneak Up: You complete this tactic if, at the end of the turn, every friendly **KRULEBOYZ** unit is within 3" of any terrain features and is more than 3" from all enemy units.

Dat's Our Turf Now!: You complete this tactic if, at the end of the turn, 2 or more friendly **IRONJAWZ** units are within 3" of the centre of the battlefield.'

Kruleboyz: Change the first sentence of the Dirty Tricks battle trait to: 'After the players have received their starting command points but before the start of the first turn, you can pick 2 different Dirty Tricks to employ during the battle.'

Grinnin' Blades: Change the Out of the Mists ability to: 'Friendly **GRINNIN' BLADES** units are not visible to enemy models that are more than 12" away from them.'

Bonesplitterz: Change the Spirit of Gorkamorka battle trait to: 'If the unmodified hit roll for an attack made with a melee weapon by a friendly **BONESPLITTERZ** unit is 6, that attack scores 2 hits on the target instead of 1 (make a wound roll and save roll for each hit).'

Swampcalla Shaman and Pot-grot: Remove this text from the Poisons and Elixirs ability: ', instead of attempting to dispel an endless spell or cast any spells with this unit in that phase,.'

Gutrippaz: Change the Scare Taktikz ability to: 'Subtract 1 from hit rolls for attacks made with melee weapons by enemy units that are not **HEROES** or **MONSTERS** that target this unit.'

GLOOMSPITE GITZ

Squig Herd: Change the Squigs Gone Wild ability to: 'Each time a Cave Squig in this unit flees as a result of a failed battleshock test, before that model is removed from play, roll a dice. On a 3+, you can pick the closest enemy unit within 9" of that model. That unit suffers 1 mortal wound. If multiple units are tied to be the closest within 9" of it, you can pick which suffers the mortal wound.'

SONS OF BEHEMAT

Bosses of the Stomp core battalion: Change the battalion abilities to **Unified and Magnificent** instead of **Unified or Magnificent**.

Footsloggas core battalion: Change the battalion abilities to **Unified and Swift** instead of **Unified or Swift**.
