

MIDDLE-EARTH™ HOBBY BINGO 2024

A model or unit may only count for a single square; so, if you paint a model that is an Evil character and it also happens to be a Monster, it can count for either of those two squares but not both.

Any models painted between January 1st 2024 and December 31st 2024 can count towards your squares.

Don't worry if your results are not perfect; the point of Hobby Bingo is to encourage you to paint more of your collection, and expand all areas of your own hobby in Middle-earth.

Most importantly, it is just a bit of fun; so make sure you don't take it too seriously and remember to enjoy yourself!
