

Once a wise Ghurish wizard, Zondara Rivenheart delved into necromantic lore in an attempt to save her beloved Ferlain from a bestial curse. She now blends beast-magic with the energies of death, ransacking crypts, keeps and dungeons in search of a cure.

Zondara's shambling gravediggers are imbued with Ghurish magic, granting them a strength and ferocity beyond that of most animated corpses. They are led by the cursed beast Ferlain, Rivenheart's ill-fated former lover, reduced to a frenzied brute who messily dismembers those who threaten his mistress.

ZONDARA RIVENHEART

MELEE WEAPONS	Range	Attacks	To Hit	To Wound	Rend	Damage
Wild Staff	1"	3	4+	4+	-1	2

Zondara Rivenheart is armed with a Wild Staff.

WIZARD: This unit can attempt to cast 1 spell in your hero phase and attempt to unbind 1 spell in the enemy hero phase.

Zondara's Minions: When enemies approach, Zondara keeps her minions close, throwing them into harm's way when needed.

If this unit is within 3" of a friendly **ZONDARA'S GRAVEBREAKERS** unit, before you allocate a wound or mortal wound to this unit, or instead of making a ward roll for a wound or mortal wound that would be allocated to this unit, roll a dice. On a 4+, that wound or mortal wound is allocated to that unit instead of this unit.

Wild Incantation: Zondara infuses her minions with savage Ghurish magic, granting them bestial strength even in undeath.

Wild incantation is a spell that has a casting value of 7 and a range of 12". If successfully cast, pick a friendly **DEADWALKERS** unit wholly within range. Until the start of your next turn, unmodified hit rolls of 6 for attacks made by that unit automatically wound (do not make a wound roll).

Graverobber's Tools	1"	3	4+	4+	-	1
Ferlain's Claws	1"	3	3+	3+	-1	2

The models in Zondara's Gravebreakers are Cracktomb, Pikk, Toyle and Lost Ferlain. Cracktomb, Pikk and Toyle are each armed with Graverobber's Tools. Lost Ferlain is armed with Ferlain's Claws.

Unearthed Treasures: Zondara commands her undead minions to leave no stone unturned in her search to break Ferlain's curse.

If this unit is included in a Soulblight Gravelords army, in your hero phase, you can pick 1 gravesite within 3" of this unit and say that it will attempt to unearth treasures. If you do so, roll a dice and look up the corresponding effect on the following table. You cannot pick the same gravesite more than once per battle.

- 1 **Nothing but Old Bones:** No effect.
- 2-4 **Exhumed Flesh:** You can return up to D3 slain models to this unit.
- 5-6 **Buried Treasure:** If a friendly **ZONDARA RIVENHEART** is within 3" of this unit, you can pick 1 artefact of power from the Soulblight Gravelords allegiance abilities that no **HERO** in your army bears for **ZONDARA RIVENHEART** to bear. **ZONDARA RIVENHEART** can bear any number of artefacts in this manner.
