Pater Filius is armed with a Bolt of Azyr and an Arc-deacon's Rod.

Heavens' Charge: Sigmar's rage burns fiercely in the Brethren of the Bolt, and at Pater Filius's direction, they hurl themselves eagerly into battle.

At the start of your hero phase, you can pick 1 friendly **BRETHREN OF THE BOLT** unit that is within 3" of this unit and more than 3" from all enemy units. You can immediately attempt a charge with that unit.

Bolt from the Blue: As Pater Filius screams a prayer to the heavens, the skies darken and crackle with energy. Holy thunderbolts then strike the battlefield, empowering the priest while obliterating his enemies.

Bolt from the Blue is a prayer that has an answer value of 4 and a range of 12". If answered, this unit has a ward of 5+ until the start of your next hero phase and you can pick 1 enemy unit within range. That unit suffers D3 mortal wounds.

Accepting Capacitors: Each member of the Brethren of the Bolt willingly conducts the wrath of Sigmar, and through them, Pater Filius wreaks terrible damage on their enemies.

At the start of your shooting phase, you can pick 1 enemy unit within 3" of a friendly **BRETHREN OF THE BOLT** unit. That friendly unit suffers D3 mortal wounds. However, until the end of the phase, if an attack made with this unit's Bolt of Azyr that targets that enemy unit scores a hit, that attack scores 2 hits on the target instead of 1. Make a wound roll and save roll for each hit.

Armed with a relic that once belonged to a Stormcast Eternal and held aloft by his adopted son to bring him closer to Azyr, Pater Filius leads the Brethren of the Bolt with shocking zeal.

The models in the Brethren of the Bolt are Friar Galvic, Soror Tazat, Acolyte Arcus and Scorched Yakob. Friar Galvic is armed with a Lectroshock Club. Soror Tazat, Acolyte Arcus and Scorched Yakob are each armed with Brethren Weapons.

Crackling with Faith: The half-sane Brethren of the Bolt draw their power from the Azyrite thunderstorms above to charge their weapons and smite the foes of Sigmar.

If an unmodified hit roll for an attack made by this unit is 6, you can pick another enemy unit within 6" of this unit that was not targeted by that attack. That enemy unit suffers 1 mortal wound after the attack has been resolved.

The Brethren of the Bolt worship Sigmar in his aspect as a bringer of divine lightning, and they channel electrical charge from the air into their weapons. Each carries a crude disc of hammered copper in order to better guide lightning towards them.
